

Glock Raffle WINNER

On December 18, I took the names of everyone who purchased a new gun from us in 2009 down to Starbucks and had the gal behind the counter draw 3 names. John Trahan was the winner. John had purchased several guns from us in 2009 and his name was drawn for the 1st and 3rd ticket. Congratulations! Next year we are looking at raffling off an AK-47 or similar rifle.

We will limit the class to the first 20 that show up. Please see the course description in the Training Curriculum section of the new website.
